

### 32 Bailey Road MOUNT EVELYN VIC

Excitingly individual, this contemporary style home has been given a fantastic make over. As freshly painted throughout with flowing hardwood floors, high ceilings and light and bright rooms. There are two separate living areas with gas ducted heating throughout, large kitchen meals area; that leads to a high soaring deck with distant ranges views. All bedrooms are well sized, with all featuring built in robes. Certainly a rare opportunity to live within architectural history, and a prime location. Available now. Pets will not be considered. Please be advised photo identification will be required at inspections.
